In accordance with Section 223 of the Trade Act of 1974, as amended ("Act"), 19 U.S.C. 2273, the Department of Labor issued a Certification of Eligibility to Apply for Worker Adjustment Assistance and Alternative Trade Adjustment Assistance on March 11, 2015, applicable to workers of ATI Specialty Alloys and Components, Albany Operations, 34th Avenue, including on-site leased workers from Kelly Services, LBCC, Cadd Connections, Evergreen Engineering, Jibe Consulting, and Oregon Industrial, Albany, Oregon. The Department's Notice of Determination was published in the Federal Register on April 13, 2015 (80 FR 19394).

At the request of a State Workforce Office, the Department reviewed the certification for workers of the subject firm. The

workers are engaged in in activities related to the production of titanium ingot and mill products.

New information shows that workers separated from employment at ATI have their wages reported through a separate federal employer identification number (FEIN) under the name of Oregon Metallurgical and TDY Industries.

The intent of the Department's certification is to include all workers of the subject firm who were adversely affected by increased imports of titanium ingot and mill products. Accordingly, the Department is amending this certification to properly reflect this matter.
